

Welcome to Poway Dental Arts

a practice of Peter A. Rich, D.M.D. Inc.

We strive to make your experience at our practice as positive and productive as possible. I take great pride in providing you the best new patient experience you've ever had in a dental office. I will explain everything I can to you in terms you will understand. I will show you all aspects of your treatment (with photos or movies) if possible. You should not leave my office with any lingering questions.

Please help us maximize your time in our office and the time I can spend with you by completing the following pages as thoroughly as possible **prior** to your appointment.

There may be a few more pages that you have to fill out in our office so we appreciate you arriving to the office at least **15min before your scheduled appointment**.

Some tips to make your experience better.

- Arrive early- I very rarely run behind schedule so please arrive early and we may see you early.
- If you can, bring an old record and/or any old dental radiographs (x-rays) you can acquire from your previous dentist with you.
- Please re-emphasize any conditions that you may have that would impede your comfort while receiving dental treatment. *For example: if you have a bad back and can't be reclined too far back, or you need frequent restroom breaks.*

The first page below helps my staff and I to know a little more about you, your family situation, your emergency contacts and your insurance, if any.

The second page is a complete medical and dental history. I firmly believe that overall wellness starts in your mouth. This history helps me learn more about your overall health and history of any of your oral conditions. It includes allergies and conditions that sometimes may interfere or have an impact on both your dental treatment and/or any medications that I may use while treating you. All questions are important so please no blanks.

Thank you so much for your time in advance, I look forward to meeting you in person.

Best regards,

Peter A. Rich, D.M.D.
